Part IV Supplemental Information. Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Schedule I, Part I, Line 2 - Prior to making any grant, the organization requires and receives substantial documentation from prospective grantees, including personally identifying information sufficient to evaluate the truth of the details contained in the applicant's request for assistance, along with a copy of the bill or invoice documenting the expense with which the applicant is requesting assistance. These bills / invoices and other types of documentation are then checked for legitimacy by the organization's staff. As an additional safeguard, the organization's grantees never personally receive any kind of cash or equivalent from the organization. Rather, if an applicant qualifies for assistance, the invoice can be verified and a grant can be made, the organization releases grant funding directly to the verified vendor named in the applicant's supporting documentation. Operating in this manner, the organization is able to carefully monitor the use of our donors' funding and ensure that all grant funding released by the organization is used only for the explicit purpose for which the grant was intended.

Reasonable Cause Explanations

Explanation
